About the property

This rustic plot is located near the village of Fataga, in an area with direct sunlight throughout the day. It has 1,200 square metres of land where you can plant various fruit trees or plants, etc. The property has 35 orange trees, 5 lemon trees, 1 avocado tree, as well as grape, apricot and kiwi plants. Ideal for those looking for a natural environment with their own fruit production, enjoy the countryside and agriculture just a few minutes away from the south of the island.

The farm has two tool sheds, spring water, a 1,000-litre tank that is refilled every week and a solar panel. The land has been surveyed and it is possible to install water and electricity meters. In addition, it has already been levelled and is accessed via a path from a car park.
