ABOUT MOGAN.

Mogan is known as one of the most picturesque places on the south of the Island. The small villages around Mogan harbour are unspoilt and have beautiful areas for walking and hiking or having a lovely picnic. Mogan harbour its self is a wonderful port with many colourful boats. You can take a ride on a submarine to observe the under-water life, a fantastic experience. It has its own beach and plenty of bars, restaurants and local shops. The houses covered in tropical flowers are a gorgeous sight. There are other beaches to explore within easy reach such as Puerto Rico that has golden sand and many water sports. Anfi del Mar offers fine white sand and a calm sea, ideal for families and the well known fishing village, Arguineguin that sells fresh fish and local cuisine, it also has many amenities such as a shopping center and plenty of shops. Of course all of these places have their own shops and you are never far away from a supermarket. Buses and taxis are always available and ready to take you all over this fabulous Island
